## ACCOUNT DISCLOSURES

***Except as specifically described, the following disclosures apply to all of the accounts.***

**1. RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. For Savings, Dollar Dog Savings, Youth Savings, Holiday Savings Club, IRA Savings, Money Market, Platinum Secure Checking, and Business Checking accounts, the interest rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The Savings, IRA Savings and Business Checking accounts are tiered rate accounts. If your account balance is \$2,499.99 or below, the first Interest Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your account balance is from \$2,500.00 to \$9,999.99, the second Interest Rate and Annual Percentage Yield listed for this account will apply. If your account balance is \$10,000.00 or greater, the third Interest Rate and Annual Percentage Yield listed for this account will apply. The Money Market Account is a tiered rate account. If your account balance is from \$2,500.00 to \$9,999.99, the first Interest Rate and Annual Percentage Yield listed for this account will apply. If your account balance is from \$10,000.00 to \$49,999.99, the second Interest Rate and Annual Percentage Yield listed for this account will apply. If your account balance is from \$50,000.00 to \$99,999.99, the third Interest Rate and Annual Percentage Yield listed for this account will apply. If your account balance is \$100,000 or greater, the fourth Interest Rate and Annual Percentage Yield listed for this account will apply. Once a particular balance range is met, the Interest Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account .

**2. INTEREST COMPOUNDING AND CREDITING** — The compounding and crediting frequency applicable to each account is set forth in the Rate Schedule. The Interest Period begins on the first calendar day of the period and ends on the last calendar day of the period.

**3. ACCRUAL OF INTEREST** — For all earning accounts, interest will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued interest is credited, you will not receive the accrued interest. However, for Holiday Savings Club accounts, any accrued interest will be paid if you close the account within seven (7) days of the date you open it.

**4. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Savings, Dollar Dog Savings, Youth Savings, Money Market, and Business Checking accounts, there is a minimum daily balance required to avoid a service fee for the interest period. If the minimum daily balance requirement is not met during each day of the interest period, you will be charged a service fee as stated in the Fee Schedule. For Savings, Dollar Dog Savings, Youth Savings, Holiday Savings Club, IRA Savings, Money Market, Platinum Secure Checking, and Business Checking accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the interest period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield. For accounts using the average daily balance method as stated in the Rate Schedule, interest is calculated by applying a periodic rate to the average daily balance in the account for the crediting period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

**5. ACCOUNT LIMITATIONS** — For Savings, Youth Savings, Holiday Savings Club, IRA Savings, and Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Dollar Dog Savings accounts, you may make no more than two (2) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. Electronic access devices will not be approved for Dollar Dog Savings accounts. For Holiday Savings Club accounts, the entire balance will be paid to you by check or transferred to another account of yours on or after October 31 and the account will remain open. You will be charged a fee of \$3.00 per withdrawal after one (1)

withdrawal per month. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Youth Checking Account accounts, parent or guardian as joint owner is required. For Fresh Start Checking accounts, a \$50.00 pledge balance is required to be maintained in the account at all times. Completing a three-part financial counseling program will eliminate the \$5.00 monthly debit card fee. Member is eligible for this discount after six (6) months. No overdraft protection is offered on this account. If you have three (3) or more NSF's on any business day, the debit card will be automatically canceled. After six (6) months of non NSF activity on account, you may re-apply for a debit card. For Classic Checking, Platinum Secure Checking, and Business Checking accounts, no account limitations apply.

**6. FEES FOR OVERDRAWING ACCOUNTS** — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.
